Within the activities of the Jean Monnet Module “CoRiMaR” (*Consumer's Rights and Market Regulation in the European Union*), the Department of Legal Sciences of the University of Udine (Italy), together with a consortium of European universities including University of Essex (UK), De Montfort University (UK), Universitatea de Vest din Timisoara (Romania), East Anglia University (UK), University of Belgrade (Serbia) and University of Rijeka (Croatia), organises the 15th edition of the Summer school **Consumer's Rights and Market Regulation in the European Union**, to be held 13-22 July 2022 in Udine (Italy), at the Campus of Legal and Economic Sciences.

The Summer school on Consumer’s Rights and Market Regulation is an intensive course (40 hours of lectures, a workshop and a moot court), held in English by internationally renowned academics. It addresses theoretical and practical issues related to the legal protection of consumers and the market regulation in the European Union. The scientific coordinator is prof. Elisabetta Bergamini, Full Professor of EU Law at the University of Udine.

The programme is available at <https://disg.uniud.it/tirocini/internazionalizzazione/summer-school>.

The available places for enrolment to the Udine Summer school are 40. Ten places are reserved for students from non-partner universities who are enrolled in a law course (bachelor's or master's degree programmes), PhD, or students graduated in a law course no more than two years earlier. Candidates will be selected on a competitive basis. At the end of the course, students who earn at least 90 percent of the scheduled hours and pass the final exam will receive an attendance certificate.

ARTICLE 2. Admission requirements

As stated above, the course is targeted to young graduates, PhD and undergraduate students from law faculties who successfully completed a course in European Union Law.

Applicants must demonstrate proficiency in English in order to meet the entry requirements (minimum ability level for non-native speakers: B1 of the Common European Framework of Reference for Languages).

The entry requirements must be met within the set deadline for the submission of applications.
